RE: PUBLIC RECORDS REQUEST of October 02, 2023, Reference # W013383-100223

Dear Bradley Quest,

The following record was identified in response to your request:

Year	FY12	FY13	FY14	FY15	FY16	FY17	FY18	FY19
Cardiology Caseload	525	591	563	1209	1372	1588	1703	1925

Other requested statistics are not tracked by UF. Individual patient records are confidential and exempt pursuant to 474.2167, Fla. Stat.

This completes the public records request.

Sincerely,
University of Florida Public Records Request Center

The University of Florida received a public information request from you on October 02, 2023. Your request mentioned:

"Dear Sir or Madam,

I am a veterinarian who consults and does research in the animal health industry. Our consulting firm has been collaborating with the FDA and other researchers on the canine

diet-associated Dilated Cardiomyopathy topic. The U. of Florida College of Veterinary Medicine has also collaborated with the FDA in providing data. We are requesting the following information from the U. of Florida veterinary teaching hospital under the Florida Freedom of Information Act:

1. The veterinary cardiology service's annual overall new case numbers for each year between 2002 through 2019.
2. The veterinary cardiology service's annual new cases of DCM diagnosed for each year between 2002 through 2019.
3. Cardiology examination results including echocardiogram results for each case requested in #2 above. This particular request excludes all information for each case that is legally protected such as pet and pet owner identifying information.

Thank you,
Bradley Quest, DVM
Principal Veterinarian
BSM Partners, LLC"

To monitor the progress or update this request please log into the [Public Records Center](#).
